

## Pre-Show Registration List Order Form

**This form must be returned to APhA no later than October 6, 2023.**

Reach new and current customers with the JFPS Pre-Show Registration list! Pre-show mailings can help bring additional traffic to your booth. What is a pre-show mailing? A pre-show mailing is a letter, flyer or invitation mailed to individual pre-registered attendees in advance. Giving attendees a reason to visit your booth is one of the most important pre-show activities your company can perform to help ensure a successful show.

APhA will provide an electronic file (in excel format) to be used for a one-time pre-show mailing. The file will include name, rank, branch of service, mailing address and email address.
