

Giveaways, Contest, Lotteries and Drawings Notification Form

This form must be returned to APhA no later than September 1, 2017

Each exhibiting company must notify APhA of any items being distributed (with the exception of printed materials), booth contests, lotteries and/or drawings in advance. In compliance with the APhA Exhibitor Rules and Regulations, exhibiting companies may do the following at their booth:

- Distribute catalogs, pamphlets, souvenirs, and giveaways
- Distribute food and beverage
- Any food or beverages distributed from the booth must be purchased directly from the Rosen Shingle Creek. This includes any and all types of mints, candy, gum, etc. If your company has food or beverage items specifically branded for trade show distribution or your company produces any food and/or beverage integral in your exhibit to be distributed from your booth, advance permission must be obtained from facility no later than 14 days prior to the meeting. For approval contact Cecilia Stefan, Convention Services Manager at CStefan@rosenshinglecreek.com.
- Distribute sample products and OTCs (over-the-counter drugs). No company may distribute any type of prescription drugs.
- Conduct contests, lotteries or drawings.

No company staff or personnel may distribute items or conduct contests, lotteries or drawings outside the booth. All giveaways, contests, lotteries or drawings must be open to all professional attendees and be conducted in a professional manner.

The purpose of completing this form is to let APhA know in advance what will be taking place in the Exposition and to prevent inappropriate giveaways, contests and/or prizes in the Exposition.

Please refer to the information in the Exhibitor Rules and Regulations regarding the PhRMA Code as it relates to contest prizes and giveaway items.
